

OVER THE RAINBOW
With the
ANGELS OF LIGHT
WITH
DIANA SUMMER

In this workshop you will have the opportunity to:-

- Release heavy energies in preparation for the day
- Connect with the Universal Archangelic Guardians of our Galaxies
- Work with the rainbow energies and step through to meet with the Angelic beings who reside within.
- Take a look at your own rainbow body
- Access and receive healing
- Experience the colour coding as it downloads to assist with your path
- Learn how to summon the becoming
- Communicate with our DNA
- Walk live and breath in harmony with heaven and earth

This workshop will include experiential opportunities to connect with the energies, there will be meditations, instruction on how to Summon the Becoming plus much more.

Please bring a stone or crystal for Summoning the Becoming. Other crystals etc. can be placed on the altar during the workshop to receive the energies of the day.
